

Ezyslab Condenser Unit Base - Version 2

Product Description

The Ezyslab® V2 is an innovative injection moulded equipment support base that allows for fast and easy installations. The underneath side of the Ezyslab is profiled which provides greater rigidity, eliminating sagging and maximising stability. The ESL-V2 is easily stackable, light weight and extremely weather resistant. The Ezyslab utilises the highest quality alloyed materials, with added UV-resistant polymers and glass fibre reinforced material, for outstanding protection and strength.

Part Numbers

ESL-V2 Slate Grey: Ezyslab Condenser Unit Base - Version 2 Slate Grey
