

ENVIRONMENT & SUSTAINABILITY STATEMENT

Standard Supply Co is committed to conducting our business in a socially responsible and ethical manner to protect the environment and benefit the communities where we work.

We employ sustainable manufacturing processes which minimize negative environmental impacts while conserving energy and natural resources.

Sustainability

- All materials used in the manufacture of our products including the cardboard packaging are 100% recyclable
- Our products have been designed and manufactured to provide an extended lifespan

Environmental

- We continuously invest in more energy efficient machinery and equipment
- The materials used in the manufacture of our products are RoHS Compliant (Restriction of Hazardous Substances Directive) and do not contain hazardous chemicals or substances
